AMERICAN
ASSOCIATION OF
UNIVERSITY
WOMEN

Equity...Make it Real!

AAUW Texas at Work

Take the Step

As a member of the American Association of University Women, you join a nationwide network of people who value education and equal rights...who are contributing to a more promising future for all women and girls...a voice that cannot and will not be ignored.

As a member of AAUW Texas, you will join others in our state to advance the purposes and policies of the Association within Texas.

A Voice in Government

AAUW Texas is key on critical women's and civil rights issues in Texas. Take advantage of opportunities for hands-on action through Women's Legislative Days, lobbying and briefing state policy-makers, and spearheading coalitions. Receive briefings and fact sheets on critical policy issues.

Leadership Development

Leadership Conferences and biennial conventions offer workshops on topics such as strategic planning, conflict resolution, networking, grant writing, and mentoring.

Information

Our quarterly newsletter, *University Woman Texas!*, and website, www.aauwtexas.org, both contain information from Association, the Southwest Central Region, and AAUW Texas, as well as articles from Branches on their projects and activities. A future AAUW TX on-line branch will give members not living near branches an opportunity for social discourse and networking. On-line branch information is also available at www.aauwtexas.org.

Mission Statement

AAUW advances equity for women and girls through advocacy, education and research.

Vision Statement

AAUW will be a powerful advocate and visible leader in equity and education through research, philanthropy, and measurable change in critical areas impacting the lives of women and girls.

Diversity Statement

In principle and practice, AAUW values and seeks a diverse membership. There shall be no barriers to full participation in this organization on the basis of gender, race, creed, age, sexual orientation, national origin, disability or class.
